

Ysgol Llwyn Yr Eos

A Warm Welcome

Still undecided of which school to send your child to?

Allow us to share the experiential learning that takes place at Ysgol Llwyn yr Eos. We are a community driven school set on the outskirts of Aberystwyth.

What we do: Develop pupils' knowledge, skills and experiences through a relevant curriculum and an inspirational environment.

How we do it: By focusing on a child-centred and authentic curriculum that promotes practical hands-on experiences.

Every child matters to us.

Our last Estyn report stated:

"The school provides a safe, exceptionally caring and highly inclusive environment for all pupils."

Our Nursery Class

We are extremely fortunate to offer part time school the term after children turn 3 years old and then full time the term after children turn 4 years old.

Morning session: 8.45-11.30am

Afternoon session: 12.30-3pm

Wrap around care is available with our neighbouring newly built Ffrindiau Bach Yr Eos Nursery setting.

We are very fortunate to have a fantastic space as our classroom, inside and out, which is based around the children and their interests.

The Foundation Stage

We provide a play-based, fun and child initiated approach to education. We value the outdoors and give children the opportunity to explore the world around them. We are a fully committed, approachable and caring team. The well being of your child is our priority. We are a bilingual school- the Welsh language and culture is firmly embedded within our whole school.
