

Our Vision

This is what matters to us

- What we do:** *Deliver pupils' knowledge, skills and experiences through a relevant curriculum and an inspirational environment.*
- How we do it:** *By focusing on a child-centered and authentic curriculum that promotes practical hands-on experiences.*
- Why we do it:** *To develop life long learnings and future citizens who embrace the 4 purposes and 6 areas of learning.*

The 4 purposes:

- Ambitious & Capable
- Enterprising & Capable
- Ethical & Informed
- Healthy & Confident

The 6 areas of learning:

- Expressive Arts
- Health & Well-being
- Humanities
- Language & Communication
- Mathematics & Numeracy
- Science & Technology

And share our Core Values of:

Opportunity

Responsibility

Community
